COORDINATING COMMITTEE

MEMORANDUM BY THE FRENCH DELEGATION

EXPORT OF A DISTRESS BUOY TO POLAND

The French Delegation have the honour to inform the Coordinating Committee that the competent French department have been asked to approve the export to Poland of a distress buoy.

This equipment falls under Item 1517 on the embargo List; its value is 1,000 New Francs, i.e. \$200.

This buoy, type T.U.C. 986, is a transmitter-receiver operating in the 238-248 MHz frequency range. It is intended for use in the event of shipwreck. The usual guarantees against re-export have been obtained.

The French Delegation would be grateful for the Committee's views as soon as possible, in accordance with the special procedure in force for Poland.
